## Deputy PMA Head

### 1. About DDU-GKY

The Ministry of Rural Development (MoRD), Government of India, is implementing a placement linked skill development program called the Deen Dayal Upadhyaya Gramteen Kaushalya Yojana (DDU-GKY). The vision of DDU-GKY is “Transforming Rural Poor Youth into Economically Independent and Globally Relevant Workforce”.

DDU-GKY aims to achieve this vision with an inclusive agenda, standards-led delivery focused on industry requirements and its outreach that makes skills acquisition aspirational amongst the rural poor, thereby helping to create a productive and empowered workforce.

DDU-GKY is unique in its focus and approach to skilling. It is the only national level program that is fully focused on youth from rural families to ensure that the majority of the potential demographic dividend which resides in the villages of the country are equipped with skills to participate in economic growth of the country. In its design and mandate, DDU-GKY gives priority to disadvantaged groups such as the SCs/ STs/ women/ minorities and People with Disability (PWD), victims of human trafficking and Particularly Vulnerable Tribal Groups (PVTGs) and other such vulnerable groups.

DDU-GKY has many “firsts” to its credit. It is the first program to launch “Roshni” which is a placement linked skill training program aimed at rural youth in left-wing extremist (LWE) districts of the country. Similarly, DDU-GKY is a pioneer in launching “Himayat” aimed at providing skills and employment to the youth of Jammu and Kashmir. Both of these programs have been highly appreciated by all stakeholders and have now become the norm for providing productive alternatives in conflict areas. DDU-GKY has also been pioneer in setting the very first standards for infrastructure and processes for skill delivery in the country, supported by a quality framework that puts self-regulation at the heart of its quality policy. In its objective to benchmark skills to global standards, DDU-GKY has also been the first mover to introduce information technology supported by tablets for every trainee, soft-skills and english language delivery.

DDU-GKY is implemented through a 3 tier structure with:

- a) MoRD at the apex as the policy making, facilitation and coordination agency supported by two Central Technical Support Agencies - NIRDPR & NABCON;
- b) the State Skill Missions (SSMs) / State Rural Livelihood Missions (SRLMs) as the state level nodal implementation support agencies playing central role for SSMs/SRLMs in driving program delivery, its quality and outcomes; and
- c) external organizations (Corporates, Societies, NGOs, Private Skill Training providers) as Project Implementation Agencies (PIAs) who serve as the skill and placement providers under the program.

The DDU-GKY guidelines provide additional information on the program. The guidelines can be accessed under the resource section of DDU-GKY website at <http://www.ddugky.gov.in>.
